

COST

COST is an ideal **tool for early-career researchers to help them establish pan-European collaborations, develop professional research networks and advance their careers.**

Funding is provided for 4-year projects. **COST actions are open to all scientific and technical disciplines, including new and emerging fields.** It is the oldest European initiative promoting international cooperation in scientific and technical research across all disciplines since 1971.

Whom to contact?

	Up-to-date information on open calls , COST structure and bodies can be found directly at COST webpage .
	University Consultant - Eva MATĚJCOVÁ (CU) COST National Coordinator (CNC) - Ludmila ČERMÁKOVÁ (MŠMT) COST Secretariat - csosupport@cost.eu COST Secretariat in the Czech Republic - Irena ŠINDELÁŘOVÁ (MŠMT)
