
KA2

= Cooperation among Organisations and Institutions

This action aims to stimulate the **development, transfer, and implementation of innovative practices** at various levels, including organizational, local, regional, national, or European.

Types of activities Partnerships for cooperation

This event allows participating organisations to gain experience in international cooperation and strengthen their capacities, but also to produce high quality innovative outcomes.

Two kinds of partnerships to work, learn and grow together:

- cooperation partnerships
- small-scale partnerships

Partnerships for excellence

These partnerships support projects with a long-term sustainable outlook.

Actions supported:

- centres of vocational excellence
- Erasmus+ Teacher academies
- Erasmus Mundus action

Partnerships for innovation

The aim is to achieve a systemic impact at European level based on the capacity to use the results of the projects on a European scale and/or the ability to transfer these results to different thematic or geographical contexts.

Actions supported:

- alliances for innovation

The Capacity Building in Higher Education (CBHE)

The Capacity Building in Higher Education (CBHE) action supports international cooperation projects based on multilateral partnerships between organisations active in the field of higher education.

Non-for-profit European sport events

This initiative is designed to support the planning, execution, and follow-up of non-profit sporting events organized by public bodies or non-profit organizations in one or multiple countries. The objective of these actions is to enhance the visibility of sport events within the Erasmus+ program and to promote the significance of sports in fostering social inclusion, equal opportunities, and health-promoting physical activities.

	Grant applications for all activities shall be submitted to <u>European Education and Culture Executive Agency (EACEA)</u> .
