# Sport

---

Erasmus+ also supports projects in the field of sport. Objectives of the program: tackling sports threats, promoting and supporting good governance in the sport sector, the dual career of athletes, promoting voluntary activities in the field of sport. The Sport program aims to improve competence and professionalism at European/International level, to strengthen cooperation with partners from other countries, to create a more dynamic and professional environment within organizations.

**The supported activities in Sport program:**

- [Partnership for Cooperation](#)
- [Organization of non-profit events](#)
