
Structured dialogue

Structured dialogue projects may take the form of meetings, conferences, consultations and other events. Activities are directed by young people. They must be actively involved in all phases of the project (from preparation to follow-up action). The applicant may be a non-profit organization, association, non-governmental organization, youth organization or local public body. The number of project organizations is limited to at least 2 out of 2 different countries. Eligible participants are young people aged 13-30. At least 30 of them must work together on the project. The project must be planned from 3 to 24 months.
