
Jean Monnet Support to Associations

The aim of the activity is to support the European integration process. Supported associations should be interdisciplinary and open to all professors, teachers and research workers who are interested (specializing in EU affairs).

Supported activities are: publishing of information materials, creation of specialized websites, organization of an annual meeting of the Board of Directors, organization of special promotional events focused on informing the wider public with factual data about the European Union and improving active citizenship.

The duration of the project is up to **3 years**.

The maximum financial support is **€50 000** (80% of the total costs).

The amount of the grant is determined on the basis of direct and indirect costs.
